Methods of Instructions:

Scrambled classroom: reading prior to class, active classroom discussion and activities, role playing, group activities, group testing, case studies, and mentoring.

Active learning: Dynamic learning environment where the educator guides the students as they apply concepts and engage creatively. The teacher asks as a facilitator and guide rather than the traditional “sage on a stage”.

Team-based learning: Engages student knowledge through individual testing and group collaboration. Students are organized strategically into diverse teams of 5-7 students that work together throughout the course.

Problem-based Learning: Students work together to solve complex real-world problems.

B- = 83 - 81

The minimum passing grade for this course is 75%. **In order to earn a minimally passing final course grade of C or higher in this course, examination scores must average at least 75% using the course-designed weighted exam scores.** Quizzes and other assignments are not included in this weighted test average. **Students who do not earn a 75% weighted examination average will earn a letter grade of no higher than a D for the course, regardless of their overall course average.**

Please be aware that grades posted on BlackBoard are not official grades and may not reflect deductions for tardiness or absence.

NO PDF versions of written assignments are allowed to be submitted.

Late Assignments:

- Unless the student makes previous arrangements with the instructor, any assignments turned in late (according to the digital time stamp on BlackBoard, email, etc.) will have a 50% penalty deduction. Any assignments turned in more than 24 hours late (according to the digital time stamp on BlackBoard, email, etc.) will earn a 0%. Regardless of the grade or penalty, **all assignments must be turned in** to successfully pass this course.

- Students will not be allowed to attend class if they have not completed the Ticket to Class or discussion board due the Sunday before class (11 PM CST). This will be considered an unexcused absence and will result in a 2% deduction from overall grade. Exceptions will only be made if there is an official, documented reason through the university.

Withdrawal and Attendance policies:

Harlaxton College expects regular class attendance by all students. Students are considered sufficiently mature to appreciate the necessity of regular and punctual attendance, to accept this personal responsibility and to accept the consequences of failure to attend. When absences occur due to emergency or medical reasons, students are expected to notify their instructors of the absence prior to class or to seek the assistance of the College nurse or a member of the Student Experience Team for help in notifying instructors.

Instructors have the authority to grant excused absences for medical, psychological, or personal reasons upon review of appropriate documentation and professional recommendation supporting such a request. In the event of long-term illness, reasonable accommodations will be made to allow a student to complete a course. In these cases, the Dean will need to approve the long term nature of the accommodation.

The Dean of Harlaxton College has the authority to grant excused absences for medical, psychological, or personal reasons.

Each instructor is expected to maintain an attendance policy in keeping with the nature of the Harlaxton program and may consider it in evaluating performance in their courses.

University withdrawal policies and last dates to drop can be found here:

<https://www.evansville.edu/registrar/calendars.cfm>

Policy Governing Unexcused Absences:

Harlaxton College operates an attendance policy that is binding on all faculty and students. The number of unexcused absences that are allowed before incurring a penalty is related to the number of times a class meets each week. For courses which meet three times a week, students are allowed a maximum of three unexcused absences during the semester without attracting penalty points. For courses meeting twice a week two such absences are permitted, and for courses meeting once a week a single absence is allowed. Additional unexcused absences will attract a grade penalty.

Attendance in a scrambled classroom environment consists of active participation. This may include but is not limited to contributing to classroom discussion, in class learning activities, or group quizzes and testing.

You are accountable for knowing and meeting the expectations of Attendance, Participation, and Assignments in the University of Evansville Baccalaureate Program in Nursing Student Handbook. Active participation in the classroom sessions and course activities are essential to meet the course objectives. You are expected to attend all classes, and if you miss a class, you are responsible for all missed content and assignments. Attendance and punctuality will be recorded for each class session.

Unexcused Absences and Tardiness:

1. 2% will be deducted from the final course grade for each day of unexcused absence.
2. 1% will be deducted from the final course grade for each tardy incidence.

*For example: If your final grade is 86% and you have one unexcused absence, your final course grade will be an 84%.
If you have two unexcused absences, your final grade will be an 82%.*

Policy Governing Excused Absences.

- Excused absences are not given to facilitate student travel independent of College-sponsored travel.
- Students may be permitted to miss class because of participation in academic field trips.
- Instructors must co-ordinate and confirm academic fieldtrips with the Dean, prior to the commencement of the Semester to ensure their inclusion in the Semester timetable.
- Where authorization for an academic fieldtrip is requested after the commencement of the semester, the request must be submitted to the Dean.

The following information is required:

- Purpose and brief description of the official Harlaxton event or academic fieldtrip.
- Dates, location, and times (as applicable).
- Alphabetical list of students involved [Last Name/First Name] along with their student identification number.

If approval is granted:

- Instructors affected will be notified at least one week prior to the class period during which absence is anticipated, or as soon as possible.
- Missed class time due to student participation is to be considered an excused absence.
- The grade of a student may not be lowered in any class due to excused absences.
- It is the student's responsibility - to take the initiative by consulting with their instructors before the absence occurs, and - to do what is required by the instructor to make up all missed assignments and/or examinations.
- Instructors are required to assist students in these occasional situations of excused absences.

Honor Code:

All students at the University of Evansville agree to the University honor code: *I will neither give nor receive unauthorized aid, nor will I tolerate an environment that condones the use of unauthorized aid.*

AI may be used only with prior permission or direction by the instructor.

- All work submitted in this course must be your own.
- The use of generative AI composition tools, such as those offered by ChatGPT, Google Bard etc. is prohibited in this course except for specific assignments and subject to the instructor's guidelines.
- Work generated by such tools without proper attribution is plagiarism and, thereby, a breach of the University's Plagiarism and Academic Honesty policy.

Technology Policy:

Participation in an online or hybrid course requires regular access to a computer with an internet connection. While some class activities can be completed on a mobile device or tablet, many cannot and it is the responsibility of the student to ensure that access to a computer and the internet is maintained throughout the entirety of the course. Students will also need access to a web camera and microphone.

Disability Policy:

It is the policy and practice of the University of Evansville to make reasonable accommodations for students with properly documented disabilities. Students should contact Disability Services within the Office of Counseling Services by calling 812-488-2663 to seek services or accommodations for disabilities. Written notification to faculty from Disability Services is required for academic accommodations.

The University of Evansville Disability Services office will share the request for academic accommodations with the Academic Support team at Harlaxton College. Staff members at Harlaxton will meet individually with students to discuss needs and provide additional information related to examinations or other assessments.

Students from partner institutions should provide the appropriate letter of accommodation from their institution to the Academic Support team at Harlaxton College.

Non-Discrimination Statement

The University of Evansville expects all members of its community to treat each other with respect and civility. Harassing behaviors directed towards any member of our community will not be tolerated. As part of its commitment to non-discrimination, the University specifically prohibits harassment based on any other characteristics set forth in its nondiscrimination statement as follows: including race, color, gender, gender identity and expression, sexual orientation, creed or religion, national origin, age, disability, veteran status and all federally protected groups/classes. Any form of harassment undermines the mission of the University and negatively impacts the University community as a whole.

Complaints, Grievances, and Appeals

The University of Evansville seeks to resolve all student concerns in a timely and effective manner through policies and processes documented in the University [Course Catalog](#) and [Student Handbook](#).

Prohibited Conduct and Confidentiality

The University of Evansville is committed to fostering an atmosphere free from harassment and discrimination. This commitment includes identifying problems that may lead to sexual harassment and misconduct, as well as other forms of harassment and discrimination, by creating an atmosphere in which the entire University community is sensitive to preventing prohibited conduct. Additionally, the University is committed to providing support and resources to individuals who have experienced prohibited conduct. This commitment includes effectively responding when a student, visitor, guest or program participant is the victim of prohibited conduct.

All campus employees, students, and guests are required to abide by the Title IX and Other Sexual Harassment and Misconduct Policy, the Harassment and Discrimination Policy, and the Consensual Sexual or Romantic Relationships Between Employees and Students Policy. Violation of these policies could result in disciplinary action, up to and including expulsion for students and termination for employees.

Faculty members at the University of Evansville are considered “Responsible Employees” under the applicable federal guidelines and the University’s policies. This means that I am unable to offer you confidentiality if you report any incidence of prohibited conduct to me as defined by Title IX statute. If I am made aware of a violation, I am required to report any known information to the Office of Institutional Equity.

You may choose to report the violation yourself the following ways:
